Request For a Net on Catalina Repeaters

The request should state:

1 The type and duration and time of net to be considered.

2 The purpose of the net, and topics.

3 How will the repeater users benefit from the net.

4 How will this net be organized , or format of the net (i.e. check in, topics to discuss, round table discussion, etc).

5 A copy of the script outline.

6 Who will run the net in the absence of the regular net control.

7 The names of 6 regular CARA users that will sponsor this net.

Send the request to one of the board members for review at the next board meeting, if accepted Requestor will be invited to a board meeting to present his net to the board for a vote.
